Ain't Done Nothin'

[Verse 1]

G

When I was just a little thing

A

I used to love parades

D

With banners, bands and red balloons

G

And maybe lemonade

But when I came home one mayday

A

my neighbor's father said

D

Them marchers is all commies

G

Tell me kid are you a red?

[Verse 2]

G

Well, I didn't know just what he meant

A

My hair back then was brown

D

Our house was plain red brick

G

Like most others in the town

So I went and asked my momma

Em

Will you be a lousy scab or will you lend a hand

E7

Am

[Chorus]

[Verse 4]

Am

G

Am

Don't scab for the bosses don't listen to their lies

Em

E7

Am

Us poor folks haven't got a chance unless we organize

[Chorus]

[Verse 5]

Am

G

Am

My daddy was a miner he's now in the air and sun

Em

E7

Am

He'll be with you fellow workers til this battles won

[Chorus]

[Verse 6]

Am

G

Am

So shoulder to shoulder in union we shall stand

Em

E7

Am

We'll beat the scabs and bosses so come and lend a hand

[Chorus]

Which Side Are You On

[Verse 1]

Am

Come all of you good workers

G

Am

Good news to you I'll tell

Em

E7

Am

Of how the good old union Has come in here to dwell

[Intro Chorus]

Am

Am

E7

Which side are you on, which side are you on

[Verse 2]

Am

G

Am

They say in Harlan country there is no neutral there

Em

E7

Am

You're either with the union or a grunt for JH Blair

[Chorus]

Am

G

Am

Which side are you on, which side are you on

E7

Am

Tell me which side are you on, which side are you on

[Verse 3]

Am

G

Am

Oh workers can you stand it, tell me how you can?

A

Why our neighbor called me red

D

My mommy took me on her knee

G

And this is what she said

[Chorus]

G

Well you ain't done nothin'

A

If you ain't been called a red

D

If you've marched or agitated

G

Then you're bound to hear it said

So you might as well ignore it

A

Or love the word instead

D

Cause you ain't been doin' nothin'

G

If you ain't been called a red

[Verse 3]

G When I was growin' up,
A
Had my troubles I suppose
D
When someone took exception
G
To my face or to my clothes
Or tried to cheat me on a job
A
Or hit me on the head
D
When I organized to fight back
G
Why the stinkers called me red

[Chorus]

G But you ain't done nothin'
A
If you ain't been called a red
D
If you've marched or agitated
G
Then you're bound to hear it said
So you might as well ignore it

G C G
So we've gotta stick together In fine or dirty weather
C G
And we'll show no white feather
D G
where the frasier river flows

[Chorus]

[Verse 3]

G The boss, the law is stretchin'
C G
bulls and pimps he's fetchin'
Em Bm A D
And they are a fine collection as Jesus only knows
G
But why their mother's rear'd them
C G
Nor why the devil spared them
C G
Are questions we can answer
D G
where the Frasier river flows

[Chorus]

Where the Frasier River Flows

[Verse 1]

Fellow workers pay attention to what I'm going to mention
For it is the fixed intention of the workers of the world
And we should all be ready true hearted brave and steady
To rally round our standard when the black flag is unfurled

[Chorus]

Where the frasier river flows each fellow worker knows
They have bullied and oppressed us
But still our union grows
And we're gonna find a way shorter hours and higher pay
And we're gonna win the day where the frasier river flows

[Verse 2]

These gunnysack contractors have all been dirty actors
They're not our benefactors each fellow worker knows

A

Or love the word instead

D

Cause you ain't been doin' nothin'

G

If you ain't been called a red

[Verse 4]

G

When I was livin' on my own

A

One apartment that I had

D

Had a lousy rotten landlord

G

Let me tell ya he was bad

But when he tried to throw me out

A

I rubbed my hands and said

D

You haven't seen a struggle

G

If you haven't fought a red!

[Chorus]

[Verse 5]

G

Well I kept on agitatin'

A

Cause what else can you do?

D

You gonna let the sons a bitches

G

Walk all over you

My friend said youll get fired

A

Hanging with that commie mob

D

I should be so lucky buddy

G

I ain't got a job

[Chorus]

G

And you ain't done nothin'

A

If you ain't been called a red

D

If you've marched or agitated

G

Then you're bound to hear it said

So you might as well ignore it

Now for fifty years or more

D

For jobs for equality

G

And always against war

I'll keep on agitatin'

A

As far as I can see

D

And if that's what bein' red is

G

Then that's good enough for me

[Chorus]

All Used Up

G I spent my whole life makin' somebody rich

C G D I busted by ass for that son of a bitch

G D C G And he left me to die like a dog in a ditch

D G And told me I'm all used up

C G He used up my labor, he used up my time

C D He plundered my body and squandered my mind

G D C And he gave me a pension of handouts and wine

G D G And told me I'm all used up

G D C My kids are in hock to a god you call work

C G D Slavin' their lives out to some other jerk

G D C G My youngest in Frisco just made shipping clerk

D G And he don't know I'm all used up

On the road to freedom, we shall not be moved G
On the road to freedom, we shall not be moved

C D
Don't have respect for anything old G D C
For pennies their bought and promises sold G D G
Someday they'll all be used up G
They use up the oil they use up the trees C G D
They use up the air and use up the sea G D C G
Well how about you friend and how about me D G
What's left when we're all used up C G
I'll finish my life in this crummy hotel C D
It's lousy with bugs and my god what a smell G D C
But my plumbing still works and I'm clear as a bell G D G
Don't tell me I'm all used up G
Outside my window the world passes by C G D
Gives me a handout and spits in my eye G D C G
And no one can tell me cause no one knows why

I'm living but I'm all used up
C D G
Sometimes in my dreams I sit by a tree
C D
My life is a book of how things used to be
G D C
And kids gather round and they listen to me
G D G
They don't know I'm all used up
G
There's songs and laughter and things I can do
C G D
And all I have learned I can give back to you
G D C G
I'd give my last breath just to make it come true
D G
No I'm not all used up
C G
They use up the oil and use up the trees
C D
Use up the air and they use up the sea

Well how about you friend and how about me

Bella Ciao

Late this morning I heard the rifles
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
Late this morning I heard the rifles
E7 Am
And it is time for me to go
Am
The fairest flower in all the mountains
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
The fairest flower in all the mountains
E7 Am
Is the black rose that sets us free
Am
And we must join it and fight together
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
We must join it and fight together
E7 Am
Or else we'll surely die alone

Am
A tattered banner as black as midnight
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
A tattered banner as black as midnight
E7 Am
Will tell you where my love has gone
Am
The winter's coming the snows are on us
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
The winter's coming the snows are on us
E7 Am
Now we must build fires of our own
Am
The world is waking outside my window
E7
O' Bella ciao, bella ciao, bella ciao ciao ciao
Dm Am
Drags my senses into the sunlight
E7 Am
For there are things that I must do

D G
And starve here with rags on your back?
[Chorus]
[Verse 3]
G C
If you've had enough of the "blood of the lamb"
D G
Then join in the grand industrial band;
C
If, for a change, you would have eggs and ham,
D G
Then come, do your share, lend a hand.
[Chorus]
[Verse 4]
G C
If you like sluggers to beat on your head,
D G
Then don't organize, all unions despise.
C
If you want nothing before you are dead,
D G
Shake hands with your boss and look Wise.

Power in a Union

D G C

Then come, do your share, lend a hand.

There is power, there is power in a band of working folk,
D G C G

When we stand hand in hand,

That's a power, that's a power That must rule in every land
D G C G

One Industrial Union Grand.

[Verse 2]

Would you have mansions of gold in the sky,
G C D G
and live in a shack, way in the back?
D G C

Would you have wings up in heaven to fly,

Commonwealth of Toil

[Verse 1]

In the gloom of mighty cities
D G

Mid the roar of whirling wheels
D G A

We are toiling on like peasant serfs of old
D

And our masters hope to keep us
G

Ever thus beneath their heels
D A D

And to coin our very lifeblood into gold

[Chorus]

But we have a glowing dream
G D

Of how fair it all will seem
D G A

When we all can live our lives secure and free
D

When the earth is owned in common
G

And there's joy and peace for all
D A D

In the liberated world that is to be

[Verse 2]

D

They would keep us cowed and beaten

G

Cringing meekly at their feet

D

A

They would stand between each worker and their
bread

D

Shall we yield our lives up to them

G

For the bitter crust we eat

D

A

D

Shall we only hope for heaven when we're dead

[Chorus]

G

For we have a glowing dream

D

Of how fair it all will seem

G

A

When we all can live our lives secure and free

D

When the earth is owned in common

G

And there's joy and peace for all

D

A

In the liberated world that is to be

[Chorus 2]

G

D

You will eat [You will eat], bye and bye [by and bye]

G

When you've learned how to cook and how to fry

C

Chop some wood [Chop some wood]

G

It'll do you good [do you good]

D

G

Then you'll eat in the sweet bye and bye

[That's no lie]

[Verse 3]

D

They have laid our lives out for us

G

Til the utter end of time

D

A

Shall we stagger on beneath their heavy load

D

Shall we let them live forever

G

In their gilded halls of crime

D

A

D

With our children doomed to toil beneath their goad

[Chorus]

G

For we have a glowing dream

D

Of how fair it all will seem

G

A

When we all can live our lives secure and free

D

When the earth is owned in common

G

And there's joy and peace for all

D

A

D

In the liberated world that is to be

[Verse 4]

D When our cause is all triumphant
G

And we free our mother earth

D And the nightmare of the present fades away
A

D We shall live with love and laughter
D

G Those who now are little worth
D A D

And we'll not regret the price we had to pay
D A D

[Chorus]

G

For we have a glowing dream

D

Of how fair it all will seem

G

When we all can live our lives secure and free
A

D

When the earth is owned in common

G

And there's joy and peace for all

D A D

In the liberated world that is to be

D G
Then they tell you when you're on the bum

[Chorus]

[Verse 3]

G C G

Holy Rollers and Jumpers come out
D G

And they holler, they jump and they shout
C G

Give your money to Jesus, they say
D G

He will cure all diseases today

[Chorus]

[Verse 4]

G C G

Workingfolk of all countries, unite
D G

Then together for freedom will fight
C G

And when our share of the earth we have gained
D G

To the grafters we'll sing this refrain

The Preacher and the Slave

[Verse 1]

G C G
Long-haired preachers come out every night D

Try to tell you what's wrong and what's right

G C G

But when asked how 'bout something to eat

G D G

They will answer in voices so sweet

[Chorus]

G D

You will eat [You will eat], bye and bye [by and bye]

G

In that glorious land above the sky [Way up high]

G C

Work and pray [Work and pray] live on hay [live on hay]

G D G

You'll get pie in the sky when you die [That's a Lie]

[Verse 2]

G C G

And the Starvation Army, they play D

Your houses they pull down stand up now stand up now
Em G D Em

Your houses they pull down, stand up now

Em

G

With spades and hoes and ploughs stand up now stand up now
Em G D Em

With spades and hoes and ploughs, stand up now
G D

Your freedom to uphold, seeing Cavaliers are bold

Greater than the might of armies, magnified a
thousand-fold. We can bring to birth a new world

B7 Em

from the ashes of the old

Am D G

For the union makes us strong.

[Chorus]

C
 All you fascists bound to lose!
 C
 All you fascists bound to lose!
 C
 All you fascists bound to lose!

You're bound to lose! You fascists, bound to lose!

D G

[Verse 4]

G

I'm going into this battle. Take my union gun.

B7 Em

It is ours, not to slave in, but to master and to own.

Am D G

While the union makes us strong.

[Chorus]

G

C

G

Solidarity forever, Solidarity forever,

B7 Em Am D G

Solidarity forever, For the union makes us strong.

[Verse 5]

G

They have taken untold millions that they never
toiled to earn,

C

G

But without our brain and muscle not a single wheel
can turn. We can break their haughty power,

B7

Em

gain our freedom when we learn

Am D G

That the union makes us strong.

[Chorus]

[Verse 6]

G

In our hands is placed a power greater than their
hoarded gold,

Is there anything left to us but to organize and fight?
Am D G B7 Em
For the union makes us strong.

[Chorus]

[Verse 3]
G

It is we who plowed the prairies; built the cities
where they trade;
C

Dug the mines and built the workshops, endless miles
of railroad laid; Now we stand outcast and starving
B7 Em
midst the wonders we have made;
Am D G
But the union makes us strong.

[Chorus]

[Verse 4]
G

All the world that's owned by idle drones is ours and
ours alone.

C G
We have laid the wide foundations; built it skyward
stone by stone.

Hallelujia I'm a Bum

[Chorus]

G D
Hallelujia I'm a bum, Hallelujia bum again
G C D G

Hallelujia give us a handout to revive us again

G

D
I went to a bar and I asked for a drink
G D

A man gave me a glass and he showed me the sink

I went to a door and I asked for some bread
A woman said "bum bum the baker is dead"

Now why don't you work like other folks do
How can I have a job when you're holding down two

And why do you work for eight hours or more
Maybe I'd have a job if you'd only work four

If they wont give you work and they wont give you
bread

Find a kindhearted cop and he'll beat on your head

But whatever you do don't open your eyes
Don't talk revolution and don't organize

Hobo's Lullaby

[Chorus]

D G

Go to sleep, you weary hobo,

A7 D

Let the towns drift slowly by.

D D7 Em

Listen to the steel rails hummin'?

A7 D

That's a hobo's lullaby

[Verse]

D G

Do not think about tomorrow,

A7 D

Let tomorrow come and go;

D D7 Em

Tonight you've got a nice warm box car,

A7 D

Safe from all this wind and snow.

D G

I know the police cause you trouble;

A7 D

They cause trouble everywhere.

D D7 Em

But when you die and go to heaven

A7 D

You'll find no policemen there.

Solidarity Forever

[Verse 1]

G

When the union's inspiration through the workers'
blood shall run,

C G

There can be no power greater anywhere beneath the
sun. Yet what force on earth is weaker

B7 Em

than the feeble strength of one,

Am D G

But the union makes us strong.

[Chorus]

G

C G

Solidarity forever, Solidarity forever,

B7 Em Am D G

Solidarity forever, For the union makes us strong.

[Verse 2]

G

Is there aught we hold in common with the greedy
parasite,

C G

Who would lash us into serfdom and would crush us
with his might?

Am Em D Em
Guns and barbed wire block our view.

[Chorus]

[Verse 3]
Em
But for us there is no complaining,
Am Em D Em
